Micro-Market Market Research Report for a D2C Fashion Brand

(Geo: India)

www.digitalfabric.group

India's luxury market grew 240% in four years

While global luxury contracts, India's wealth creation is accelerating
at a pace no other major economy can match.

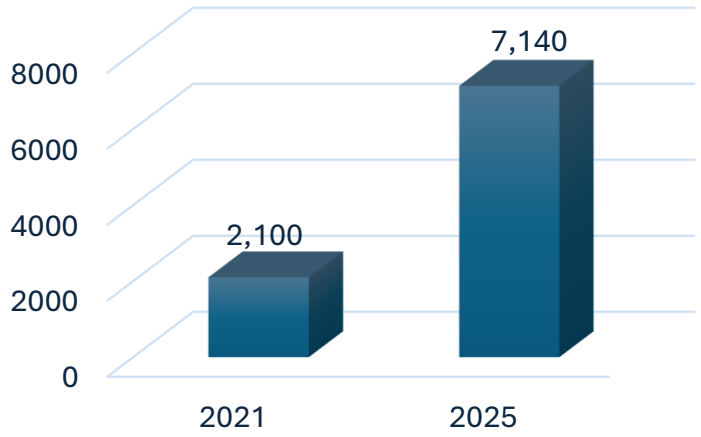

Chart data: India luxury fashion market grew from ₹2,100 Cr (2021) to ₹7,140 Cr (2025), a 240% increase in four years.

8.8%

Average annual wealth growth since 2000

- 70 new millionaires created every day
- 4,980 UHNIs (₹250 Cr+ assets), 5th globally
- 1.6M projected millionaires by 2026 (105% growth)
- Richest 1% hold over 40% of total wealth

Takeaway: India is the next luxury growth engine. Wealth is being created faster here than anywhere else. The audience for luxury kidswear already exists.

Online is the fastest growing luxury distribution channel

25.7% of luxury sales now happen online,
and 200+ Tier 2/3 cities lack physical luxury retail entirely.

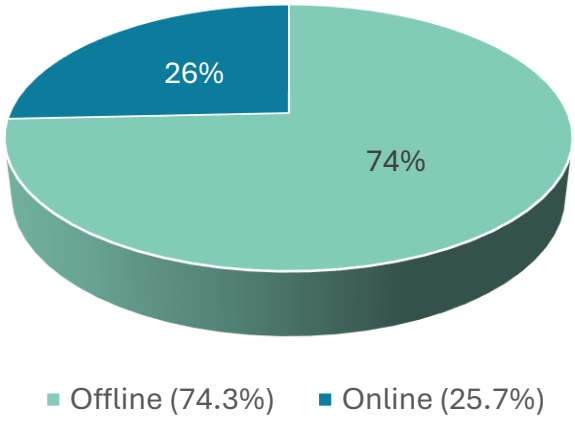

Chart data: Luxury distribution 2024: Offline 74.3%, Online 25.7%. Online is fastest growing, driven by 200+ Tier 2/3 cities lacking physical retail.

Luxury is expanding beyond metros into 200+ Tier 2 and 3 cities. Limited physical availability in these regions is driving a massive digital shopping surge. Over 60% of all e-commerce transactions in India now originate from Tier 2 and Tier 3 cities.

For a D2C brand like Suvien, this means direct access to luxury consumers who have the spending power but no physical stores to visit. The online channel is not a secondary option. It is the primary market.

Takeaway: Online accounts for 25.7% and growing. 200+ cities lack cities lack physical luxury retail. D2C is the natural entry point for point for Suvien.

Fashion dominates social commerce in India

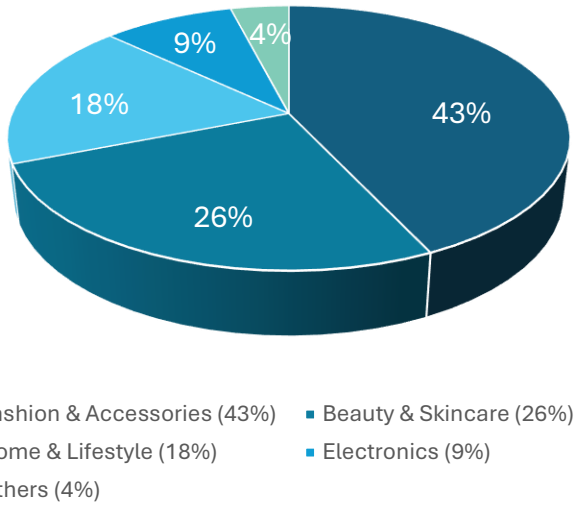

Chart data: Social commerce by category: Fashion 43%, Beauty 26%, Home 18%, Electronics 9%, Others 4%.

- Fashion and accessories account for 43% of all social commerce transactions in India. This is nearly double the next category.
- For Suvien, this validates the channel strategy: social platforms are not just for brand awareness. They are where transactions happen.
- The consumer journey from discovery to purchase increasingly happens within a single platform, particularly Instagram and WhatsApp.

Takeaway: Online accounts for 25.7% and growing. 200+ cities lack cities lack physical luxury retail. D2C is the natural entry point for point for Suvien.
